Objective:

To obtain creative and challenging projects that enable me to grow. To gain valuable experience and improve the web development and design skills that I have. Strong intent to use standards based web design to create table-less sites that are accessible.

Key Skills:

Web-Development hand coding with XHTML and CSS.
Some experience using PHP, XML, and Javascript Libraries.
Proficient user of Dreamweaver CS4, Photoshop CS4, Fireworks CS4, and Flash CS4 with a working knowledge of Illustrator CS4.
Video editing with Final Cut Pro and DVD authoring with DVD Studio Pro.
Wordpress setup and customization.

Education:

University of North Carolina School of the Arts, BFA in Dance, 1996
Multiple web design courses at the Noble Desktop in New York City.
Highly influenced by many books including those of Andy Clarke, Jeffrey Zeldman, Andy Budd, and Jeremy Keith.

Main Subjects:

Web site design and construction with a focus on using valid XHTML and CSS markup to create beautiful and accessible websites. Using Javascript, Flash, and PHP to enhance these sites.

Focus on video and video editing to create professional DVD's for resumes, reels, promotional materials, and art.

Projects:

- www.reneekurz.com Currently designing and constructing site for costume designer Renee Kurz. Includes original Flash galleries and blogs.
- www.danielcharon.com Personal website that focuses on my dance career.
